

You come to visit me.  
Welcome to angel zoo.  
Nothing in this world, is like this zoo.  
Come on come.

( Pre-chorus)

Silence never spoke true.  
I waits for aching to subside.  
To the stainless blue.  
Love is more clear-eyed.

(chorus)

Welcome to Angel Zoo  
The grids unfold for you  
Angels keep their eyes on you  
(verse 2)

You come to visit me.  
Drop your soul at the zoo.  
to see the tree of life too.  
and the angels turn into a crew.

(bridge)

Nothing in this world, is like this zoo.  
To the stainless blue.  
Love is more clear-eyed.

In your eyes,  
In your eyes.

(chorus)

Welcome to Angel Zoo  
The grids unfold for you  
Angels keep their eyes on you  
Welcome to Angel Zoo

The grids unfold for you  
Angels keep their eyes on you
